NOTES TO TABLE I: OHIO PUBLIC DEFENDER COMMISSION EXPENDITURES

FY 15 Expenditures: Net expenditures of fiscal year 2015 budget appropriations using the budgetary basis of accounting. Under the budgetary basis, the agency matches or accrues all expenditures to the fiscal year for which they were appropriated. The figures include disbursements on encumbrances of fiscal year 2015 appropriations made between July 1, 2014 and June 30, 2015.

The agency accounts for expenditures using the budgetary basis method for two reasons. First, it is common for the agency to have open encumbrances at year end that are ultimately not disbursed. Some encumbrances may lapse, meaning they go unspent. To include the full value of open encumbrances at year end would potentially overstate the amount of fiscal year 2015 appropriations actually expended. Second, and for a similar reason, the agency excludes disbursements of prior year encumbrances made in the current year. For example, the figures would exclude an equipment acquisition encumbered and received in fiscal year 2014, but not vouchered and disbursed until fiscal year 2015.

A full detailed report of the agency's fiscal year 2015 financial statements including reconciliation to the modified accrual basis of accounting is available on the agency's website at www.opd.ohio.gov.

019401: State Legal Defense Services: This line item is used for personal services, maintenance, and equipment for the Legal and Death Penalty Divisions.

019403: Multi-County: State Share: This line item is used to fund the state's share of the Multi-County Branch Office.

019404: Trumbull County: State Share: This line item is used to fund the state's share of the Trumbull County Branch Office.

019405 Training Account: This line item is to fund attorney training seminars under the pro bono qualification.

019501: County Reimbursement: This line item is used for state reimbursement to the counties for their indigent defense expenditures.

019607: Juvenile Legal Assistance: This line item is used to administer the Juvenile Legal Assistance Program. Under the program, the Office of the Ohio Public Defender (OPD) staff provides legal assistance to youths committed to the Department of Youth Services (DYS). Funding is provided by DHS through an interdepartmental agreement with OPD.

019603: Training & Publications: This line item is used to administer training programs sponsored or directly provided by OPD.

019604: County Representation: Revenues for this account come from funds paid to OPD by counties throughout the state where counties have requested the State Public Defender to provide counsel in local cases. Upon providing such representation, OPD bills the county for a portion of the costs.

019605: Client Payment Fund: This account receives revenues from the Indigent Application Fee per R.C. 120.36 and from Client Recoupment per R.C. 2941.51(D). Funds received are used for OPD operating expenses.

019606: Legal Services Corporation: This account is used for the Civil Legal Services Program. Revenues come from Interest on Lawyer's Trust Accounts (IOLTA), civil case filing fees, and investment earnings. In fiscal year 1994, OPD created the Ohio Legal Assistance Foundation (OLAF), a non-profit organization to administer the Civil Legal Services Program. Funds from this account are now distributed to OLAF, who makes distributions and grants to Ohio's civil legal aid societies.

019613: Gifts & Grants: This account is authorized under R.C. 120.04(C)(2), and is used to administer funds when the OPD receives money from private donors or from non-federal grants. Presently, the agency is using the account to accept and disburse grant funds related to the Wrongful Conviction Project.

019601: Multi-County: County Share: This account is used to administer funds received via contract from counties that participate in the agency's Multi-County Branch Office Program. The program is authorized under R.C. 120.04(C)(7) and 120.33(B).

019610: Trumbull County: County Share: This account is used to administer funds received via contract from Trumbull County for their participation in the agency's Trumbull County Branch Office Program. The program is authorized under R.C. 120.04(C)(7) and 120.33(B).

019617: Civil Case Filing Fee: This account is used to administer funds received from OPD's portion of civil filing fee surcharge per R.C. 120.07, 1901.26, 1907.24 and 2303.201. The Office of the Ohio Public Defender receives four percent of the amount collected. The funds are used for operating expenses for OPD.

019618: Indigent Defense Support: County Share: This account is used to administer funds remitted to the State Treasurer to the credit of the Indigent Defense Support Fund. Funds come from court costs, bail bond fees, and license reinstatement fees collected by the Department of Public Safety, Bureau of Motor Vehicles. The funds are used to make reimbursement payments to the counties for their indigent defense costs per R.C. 120.18, 120.28, 120.33 and 120.35.

019619: Indigent Defense Support: State Office: This account is used to administer funds remitted to the State Treasurer to the credit of the Indigent Defense Support Fund. Funds come from court costs, bail bond fees, and license reinstatement fees collected by the Department of Public Safety, Bureau of Motor Vehicles. The funds are used for OPD operating costs.

019608: Federal Representation: Revenues for this account come from reimbursement for representation on federal habeas cases by OPD employees.

019621: Wrongful Conviction Project: Revenues for this account come from a federal grant. This is a reimbursement grant, so expenditures may be used for any purpose, but are generally reinvested in the Wrongful Conviction Program.

*Column totals may not reflect the total amount because of rounding. In state fiscal year 2015, OPD made one additional monthly reimbursement payment for public defender office costs. The figures in this table are the costs for what would have been a normal 12-month payment cycle had the agency not made the extra payment. The agency made the extra payment in preparation for the implementation of the new OPD Online indigent defense information system, which will eventually replace the current paper-based system. The existing paper based system has a 60-day turnaround time for reimbursing counties for public defender costs. The new system will be designed to reimburse the counties within 30 days, and by making the extra monthly payment, the agency facilitates the transition to a 30-day payment cycle. The report showing the costs for the additional month for which the agency made reimbursement during fiscal year 2015 (April 2015), begins on page 107 of this document.

Table IX shows the 100 percent cost the counties reported to OPD for appointed counsel death penalty cases, post-audit, followed by the amount the state reimbursed the counties for fiscal years 2014 and 2015. The amounts shown below are not in addition to the amounts shown in Table X, but are the portion of the amounts shown in Table X that were for death penalty cases. The reimbursement rate was 40 percent in fiscal years 2014 and 2015.

TABLE X
APPOINTED COUNSEL SYSTEMS CASELOAD, HOURS, AND EXPENSES
FISCAL YEAR 2015

Table X, on the following pages, shows the caseloads and 100 percent costs submitted for reimbursement during fiscal year 2015. The table shows data in seven categories: felonies, misdemeanors, juvenile, appeals, death penalty, felonies in municipal/county court, and other. The category "felonies in municipal/county court" are felonies initially filed in municipal or county court. The cases are only in those courts for a brief period of time prior to indictment, the preliminary hearing, or 15 days after arrest, whichever comes first. Since the longest these cases can last is 15 days and the municipal court has no jurisdiction to find a defendant guilty of a felony, and since most will eventually move into common pleas court, the agency does not count them as a felony to prevent double counting the same case. The category "other" includes post-conviction, parole, habeas corpus, extradition, and other miscellaneous cases.

In fiscal year 2015, the state reimbursed the counties at an average monthly rate of 40 percent.

The figures in this table are reported using the cash basis of accounting, meaning they show the cases and costs submitted to OPD that were actually reimbursed during fiscal year 2015 pursuant to OPD's reimbursement schedule. These bills were generally paid by the counties 90 days earlier, so these figures will not match cases and costs reported by counties on either a calendar or fiscal-year basis.

The case figures are based on reimbursement for both new and ongoing cases, so case figures are not cumulative from fiscal year to fiscal year. Attorneys may submit more than one bill per case and often the agency receives such bills in more than one fiscal year, so will count the case in each fiscal year. There also may be instances where the case count is zero, but expense figures are shown. In these instances, experts or other non-attorneys submitted bills for cases in which the attorney billed during a different fiscal year.

In state fiscal year 2015, OPD made one additional monthly reimbursement payment for appointed counsel death penalty costs. The figures in this table are the caseloads and costs for what would have been a normal 12-month payment cycle had the agency not made the extra payment. The agency made the extra payment in preparation for the implementation of the new OPD Online indigent defense information system, which will eventually replace the current paper-based system. The existing paper based system has a 90-day turnaround time for reimbursing counties for appointed counsel costs. The new system will be designed to reimburse the counties within 30 days, and by making the extra monthly payment, the agency facilitates the transition to a 30-day payment cycle. For a report showing the costs for the additional month for which the agency made reimbursement during fiscal year 2015 (April 2015 begins on page 18 of this document.

The key to Table X is as follows:

Cases: The number of cases submitted and accepted for reimbursement after adjustments.* This is determined by counting each individual and unique case number as one case.

Total Hours: The number of total hours reported, after adjustments.*

Attorney Fees: The total amount of attorney fees submitted for reimbursement per each kind of case, after adjustments.*

Expenses: The total amount of expenses submitted for reimbursement after adjustments.*

Transcripts: The total amount of transcript fees submitted for reimbursement after adjustments.*

Total Cost: The 100 percent cost, after adjustments, that was subject to reimbursement.*

Avg. Fees/Hour: Attorney fees submitted divided by the number of hours reported. This does not include expenses.

Avg. Fees/Case: The total fees submitted divided by the number of cases reported. This does not include expenses.

Avg. Ttl. Cost/Case: Total cost divided by the number of cases submitted, including expenses.

**Adjustments include reducing fee requests for exceeding the State or County Fee Schedule, unallowable or undocumented expenses, denying reimbursement for failure to prove indigency, late submissions, etc.*
